The Hummer Club Inc. invites participating club members to Beckley, West Virginia to enjoy good friends, good times, and great trails. For those of you who joined us in past years at our Country Roads event you know what a great time it is. Great hotel and great trails! We have a lot of new trails planned for this 2008 event. For those of you new to the event, the trails provide great scenic venues as well as some challenges. There is a new ORV park under construction only about 20 miles from the hotel and we may be able to run some of those trails if the park gets open by event time. We will also be running some new Beaver Land Coal Co. trails.
